0

All,

Yesterday I attended the PFC Workshop put on by NEWMOA. During the workshop, I briefly mentioned the mapping project. A number of folks from the Waste Management Programs of the states expressed interest in seeing the mapping project.

Drinking Water Folks, It would be great if you could reach out to the folks in your state waste programs and invite them to listen in.

Jeri, I would also like to send out an email inviting them to participate in the webinar. What is the best way to do this? Can you send me the link or should I just give you a list of emails?

Thanks

Lynne Jennings

Hi All-

An updated meeting notice with information will be sent. The correct time is 9:00 on Friday June 3.

Thank you!

Denise
